All of his books are available in print form from bookstores nationwide, as well as from Amazon.com and BN.com. Many are also available in all popular eBook formats.

While many of Jason Rich's current books cover digital photography and technology, for more than a decade, he covered all aspects of the entertainment and music industries, serving as a journalist, author, award-winning radio producer, recording artist manager, and celebrity talent coordinator. During this time, he contributed thousands of celebrity interviews, as well as interviews with professional athletes, to many print, online, and broadcast media outlets.

He's also contributed regularly published articles covering travel and career-related issues to several major daily newspapers, including the *New York Daily News* and *The Boston Herald*, and wrote a nationally syndicated, weekly newspaper column that featured celebrity interviews that ran in other newspapers. The publications he currently writes for include AARP.org and AARP: The Magazine.

As a photographer, his work often appears in conjunction with his books and articles, although he also regularly works with models, actors, and recording artists, helping them to develop their portfolios. He also enjoys doing travel, event, and animal photography. He regularly shares his travel adventures with his more than 18,000 Twitter, Instagram, and Facebook followers.
